You are requested to read the entire text of the Scheme to get fully acquainted with the provisions thereof. The aforesaid are only some of the salient extracts thereof.

Summary of the Valuation Report

29. The Demerged Company has obtained valuation report from M/s NDA & Associates, Chartered Accountants and has obtained the Fairness Opinion from M/s. IDBI Capital Markets & Securities Limited.
30. Since the Resulting Company is a company with no other activity and all the shares to be issued by it pursuant to the Scheme are to be issued to the shareholders of the Demerged Company, in effect, no different shareholder interest is to emerge. The principle to be considered is that the proportionate holding of the shareholders will remain the same.
31. In the present analysis where the proposal is of restructuring of the existing diversified activities into specific activities and that too when the set of shareholders is identical, what is much relevant is not determination of the value of the shares of the companies separately but the determination of the total number of shares of the Resulting Company to be issued in exchange for/ against the existing shares of the Demerged Company.
32. Thus, in this type of demerger, there is no requirement for separate valuation of shares as the Resulting Company is a wholly owned subsidiary of the Demerged Company and all the existing shareholders of the Demerged Company as on the Record Date will become the shareholders of the Resulting Company. Upon allotment of the shares by the Resulting Company, the ultimate beneficial economic interest of the existing shareholders of the Demerged Company in the equity of the Resulting Company will be the same as it is in the equity of the Demerged Company.
33. In view of the above, the share entitlement ratio of 1 (one) equity shares of Re 1 (Indian Rupee one) each of Resulting Company for every 1 (one) equity share of Re 1 (Indian Rupee One) each held by such shareholder in the Demerged Company in consideration for the Scheme is fair and reasonable.

Re: Report on Recommendation of Share Entitlement Ratio on Demerger of Consumer Electric Business of Orient Paper & Industries Limited into Orient Electric Limited.

Dear Sirs,

1.0 CONTEXT & PURPOSE

We refer to the engagement letter dated 20-09-2016 and the subsequent discussion we had with you, wherein you have requested us to provide our recommendation of a fair Share Entitlement Ratio of Equity Shares of the resultant company to be issued to the shareholders of Orient Paper & Industries Limited (hereinafter referred to as “OPIL” or the “**Demerged Company**”) pursuant to the proposed Scheme of Demerger of Consumer Electric Business of OPIL. “**Consumer Electric Business**” means the undertaking of the Demerged Company carrying on the business of manufacture, production, sale and distribution of Consumer Electricals.

2.0 BACKGROUND

- 2.1 OPIL is a public company, limited by shares, incorporated under the provisions of the Companies Act, 1913 and having its registered office at Unit – VIII, Plot No. 7, Bhoynagar, Bhubaneswar – 751012, Odisha, India and has two primary business segments, being the paper business and the consumer electric business.

The equity shares of the Demerged Company are listed on BSE Limited and the National Stock Exchange of India Limited.

- 2.2 Orient Electric Limited (hereinafter referred to as “**Resulting Company**” or OEL) is a company incorporated under the Companies Act, 2013 on 10th October, 2016 and having its registered office at Unit – VIII, Plot No. 7, Bhoynagar, Bhubaneswar – 751012, Odisha, India.

Commerce House, Suite 4A, 5th Floor, 2A, Ganesh Chandra Avenue, Kolkata 700 013
Offices at : New Delhi & Bangaluru

The equity shares of the Resulting Company are not listed on any stock exchange in India. The entire share capital of the Resulting Company is held by the Demerged Company.

- 2.3 We understand that the management of OPIL is contemplating a restructuring of its business. Accordingly, it is proposed that the Consumer Electric Business of the company be demerged into OEL, a newly incorporated wholly owned subsidiary of OPIL.

The demerger is proposed to be effected through a scheme of Arrangement under Sections 391-394 of the Companies Act, 1956 and other applicable provisions of the Companies Act 2013 (to the extent applicable).

It will also be in accordance with Section 2(19AA) of the Income Tax Act, 1961.

- 2.4 Accordingly, the entire business of OPIL shall be restructured and the business activity relating to the consumer electric business proposed to be demerged shall be transferred to and vested with OEL. All the properties movable or immovable and assets of whatever nature and kind relating to the business divisions under consideration for the demerger, shall without any further act or deed be and stand transferred to and vested in OEL and also the liabilities pertaining to the said division shall be assumed by OEL.
- 2.5 The Appointed Date of the proposed Demerger is 1st March 2017 and the Effective Date shall be the date on which the last requisite sanctions, approvals or orders are obtained. We understand that pursuant to the Scheme of Demerger, the existing shareholders of OPIL are to receive shares in the equity share capital of the Resulting Company as referred to in Clause 8.1 of the Scheme of Arrangement, pursuant to demerger of the Demerged Undertakings into the Resulting Company.

3.0 SCOPE OF WORK

- 3.1 In the context of the proposed demerger of Business Undertaking (as mentioned above) of OPIL, you have approached us to assist in arriving at the Share Entitlement Ratio for the purpose of issue of Equity Shares in OEL to the shareholders of OPIL as on the Record Date to be fixed jointly by the Board of Directors of the Demerged Company and the Resulting Company.
- 3.2 Share Entitlement Ratio is the ratio in which equity shares of the Resulting Company are to be issued and allotted to the shareholders of the Demerged Company

4.0 BASIS, ASSUMPTIONS & PROCEDURES

- 4.1 For the purpose of arriving at the Share Entitlement Ratio, the procedure used included collection and analysis of information and data and such other substantive steps as we consider necessary under the circumstances, including but not necessarily limited to, the following:
- Discussions with the management of OPIL and OEL
 - Study of financial and operating conditions and review of historical performance of OPIL
 - Consideration of audited financial statements of OPIL for the financial years ended on 31st March 2016 and 31st March 2015 and the figures pertaining to the demerged business and retained business as at and for the year ended 31st March 2016

- Consideration of draft scheme of arrangement
- Consideration of Memorandum and Articles of Association of both the companies
- Such other analysis, reviews and enquiries as warranted on the facts or requirements

5.0 DEMERGER OBJECTIVES

- 5.1 The objectives underlying the proposed demerger as communicated by the Management are as under:

OPIL is engaged in 2 (two) distinct lines of business namely:

- (a) manufacture and distribution of paper and paper products such as writing paper, printing paper and tissue paper (collectively referred to as the "**Paper Business**"); and
- (b) manufacture and distribution of consumer appliances such as fans, lighting products, home appliances and switch gears (collectively referred to as the "**Consumer Electric Business**").

The nature of risk and competition involved in each of the Paper Business and Consumer Electric Business is distinct, necessitating different management approaches and focus. Moreover, the competitive dynamics of these businesses are also different.

- 5.2 The management feels that separation of the Consumer Electric Business, by way of the proposed Scheme from the Demerged Company would lead to significant benefits for both businesses including:
- (a) enable a dedicated management focus and to accelerate growth of the Consumer Electric Business unlocking significant value for the shareholders of Orient Paper and Industries Limited; and
 - (b) access to varied sources of funds for the rapid growth of both businesses.
- 5.3 The said demerger shall enable the Management to have focused business approach for maximization of benefits to all stakeholders in future. It will also result in administrative convenience and better control through decentralization of authority as the areas of work shall become specific.
- 5.4 The companies shall become separate responsibility centres as a result of which the advantage and disadvantage of any decision shall remain undiluted and shall give a clear picture of the affairs of each activity thereby assisting in chalking out best possible business strategy for each activity.

6.0 OUR APPROACH

- 6.1 We have considered the following to arrive at our recommendation of the share entitlement ratio:

The issued, subscribed and paid up share capital of OPIL as at 31.03.2016 is as under:

Issued – 20,48,87,970 Equity Shares of Re. 1/- each

Subscribed & fully paid-up - 20,48,68,760 Equity Shares of Re. 1/- each

The Management has stated the Authorized Share Capital of OEL is Rs 500,000/- divided into 500,000 equity shares of Re 1/- each. The issued, subscribed and paid up share capital of OEL is 500,000 equity shares of Re. 1 each.

- 6.2 Based on audited financial statements of OPIL for the financial year 2015-16, the share of demerged business and the retained business is as under:

Particulars	Rs in Crores		Total
	Consumer Electric Business	Paper Business	
Net Sales	1301.83	518.53	1820.36
EBIDTA	90.78	26.07	116.85
Profit before Tax	45.28	(-) 23.93	21.35
Profit after Tax			21.02
Net worth			414.21
Capital Employed	425.99	439.08	865.07

Source - Management

- 6.3 We have also considered the dividend payout by OPIL for last 4 years. We have not considered the FY 2011-12 since the financial results included operations of Cement division, demerged from OPIL effective 1st April 2012.

Financial Year	Profit after Tax (Rs in Lacs)	Dividend %	Dividend payout including Tax (Rs in Lacs)
2012-13	(-) 3223.49	10	239.69
2013-14	423.64	10	239.69
2014-15	(-) 2865.02	10	245.83
2015-16	2102.08	25	616.44

Source – Management

We have discussed the possibility of dividend payouts by OEL post demerger, with the Management and they have indicated that they would like to keep a similar payout for OEL as has been for OPIL, going forward.

- 6.4 Since OEL is a company with no other activity and all the shares, to be issued by it pursuant to demerger, are to be issued to the shareholders of OPIL, in effect, no different shareholder interest is to emerge. The principle to be considered is that the shareholders proportionate holding is to remain same.

In the present analysis where the proposal is of restructuring of the existing diversified activities into specific activities and that too when the set of shareholders is identical, what is much relevant is not determination of the value of the shares of the companies separately, but the determination of the total number of shares of resulting company to be issued in exchange for / against existing shares of the company.

7.0 RECOMMENDATION

- 7.1 As stated in the paragraphs above, in the case of this type of de-merger, there is no requirement for separate valuation of shares as the Resultant Company is currently a 100% subsidiary of the Demerged Company and all the existing shareholders of OPIL will become shareholders of the Resulting Company. Upon allotment of equity shares by the Resulting Company in the proposed Share Entitlement Ratio, the ultimate beneficial economic interest of the existing shareholders of OPIL in the equity of the Resulting Company will be same as it is in the equity of OPIL.
- 7.2 Under these circumstances we recommend that based on and subject to various assumptions and limitations set forth herewith, the share Entitlement Ratio of 1 (One) equity share of Re. 1/- each of the Resultant Company as fully paid up for every 1 (one) equity share of Re. 1/- each fully paid-up to the members of OPIL as on the Record Date (to be decided by the Board of both the companies after approval of the proposed scheme of arrangement) in consideration for the demerger is fair and reasonable.

Upon the scheme of demerger becoming effective, the initial issued, subscribed and paid up share capital of the resulting company consisting of 500,000 equity shares of Re. 1 each shall stand cancelled.

8.0 LIMITATIONS

- 8.1 Our recommendation is dependent upon the information furnished to us by the Management of OPIL and OEL which we believe to be reliable and complete in all respect. We do not assume any responsibility for the correctness or accuracy of the audited financial statements since we have not carried out any sort of audit or review of the same.
- 8.2 Our scope is limited to provide our recommendation on the proposed share entitlement ratio. Therefore this report is not an opinion or certification of compliance of various laws relating to proposed demerger.
- 8.3 We have not made any investigation or assume no responsibility in respect of the titles of the assets or liabilities of OPIL and disclosures made by the management have been assumed to be valid.
- 8.4 It should be noted here that any exercise of the nature covered in this report is not a precise science or mathematical exercise. Such exercise is always subjective and dependent on individual judgement. While we have provided our recommendation on the share entitlement ratio, others may have different opinion. Ultimately, the exercise will leave matters open for final judgment of parties concerned.

9.0 DISTRIBUTION OF OUR REPORT

- 9.1 This Report is issued for the Board of Directors of OPIL and the Resulting Company. This report is intended for sole use by the companies only in connection with the proposed demerger including for the purpose of obtaining necessary approvals. This report should not be distributed or used for any purpose, other than the proposed demerger.

Orient Paper & Industries Limited

Birla Building

Kolkata – 700 001

Dear Members of the Board:

Engagement Background

We understand that the Board of Directors of Orient Paper & Industries Limited is considering the demerger of "consumer electric division" of Orient Paper & Industries Limited (the "**Demerged Company**" or "**OPIL**") into a wholly owned subsidiary in the name of Orient Electric Limited (the "**Resulting Company**") through a Scheme of Arrangement under section 391-394 of the Companies Act, 1956 and other applicable provisions of the Companies Act 2013 (to the extent applicable).

The scheme envisages demerger of the "consumer electric division" (the "**Demerged Undertaking**") of OPIL into Resulting Company as per terms and conditions more fully set forth in the scheme of Arrangement to be placed before the Board of their approval.

Orient Paper & Industries Limited has appointed NDA & Associates, Chartered Accountants ("**NDA**" or the "**Valuer**") to prepare a valuation report ("**Valuation Report**") and recommend a fair Entitlement ratio for distribution of equity shares of OPIL to the equity shareholders of Resulting Company. As per the Valuation Report dated October 17, 2016, the Valuer has recommended that in consideration of the demerger of the "consumer electric division" of Demerged Company into the Resulting Company pursuant to the draft Scheme of Arrangement, for every 1 (one) equity share of the face value of Re. 1/- each held by the shareholders of Demerged Company, the Resulting Company shall issue and allot 1 (one) equity share of the face value of Re. 1/- each fully paid up (hereinafter referred to as the "**Share Entitlement Ratio**").

In connection with the aforesaid, you requested our Fairness Opinion (the "**Opinion**") as of the date hereof, as to the fairness of the Share Entitlement Ratio to the Equity Shareholders of the Demerged Company. The scope of this Opinion includes commenting on the fairness of the Share Entitlement Ratio

recommended by the Valuer and not on the fairness or the economic rationale of the Scheme of Arrangement per se or the valuation methods used by the Valuer or the historical and projected financial statements relied upon for the same by the Valuer.

This Opinion is addressed to the Board of Directors of OPIL. Further, this Opinion is subject to the scope, limitations, assumptions, exclusions and disclaimers detailed herein and in Appendix A and the same has been issued as per the requirements of SEBI circular no. CIR/CFD/DIL/5/2013 dated February 4, 2013 read with SEBI circular no. CIR/CFD/DIL/8/2013 dated May 21, 2013 (collectively the “SEBI Circulars”). As such the Opinion is to be read in totality, not in parts and in conjunction with the relevant documents referred to herein. This Opinion has been issued only for the purpose of facilitating the Scheme of Arrangement in terms of the abovementioned SEBI Circulars and should not be used for any other purpose.

**Review Report to
The Board of Directors
Orient Paper & Industries Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Orient Paper & Industries Limited ('the Company') for the quarter and nine months ended December 31, 2016 (the "Statement"). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Without qualifying our conclusion, we draw attention to Note 2 to the accompanying Statement regarding remuneration paid to Managing Director during the years ended March 31, 2015 and March 31, 2016 which has exceeded the limit prescribed under Section 197 read with Schedule V to the Companies Act, 2013, by Rs.178.19 lacs and Rs. 177.70 lacs respectively. As informed to us, the Company has filed application / is in the process of making further representation to the Central Government for the waiver of above excess remuneration and pending receipt of the approval, no adjustments to financial results have been made.

Orient Electric limited.

Notes to financial statements for the period from 10th October 2016 to 31st December 2016

1. BACKGROUND

Orient Electric Ltd. is a subsidiary of Orient Paper & Industries Limited. The Company has been incorporated on 10th October 2016. The Company has not started any business activity. However, a scheme of arrangement has been approved by the Board of Directors of the Company subject to obtaining necessary approval as stated in Note 9 below.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standard) Amendment Rules 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention.

2.1 Summary of significant accounting policies

(a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Revenue Recognition

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

(c) Income taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current period and reversal of timing differences for the earlier periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Orient Electric limited.

Notes to financial statements for the period from 10th October 2016 to 31st December 2016

(d) Earnings Per Share

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average numbers of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(e) Preliminary Expenses

In accordance with the requirements of Accounting Standard - 26, Preliminary expenses incurred in connection with the formation of the Company are charged off in the period such expenses are incurred.

(f) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(g) Cash and cash equivalents

Cash and cash equivalents for the purposes of Cash Flow Statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
